

If **ZERO DEFECT QUALITY BAR** is not achieved, solution continues with bug resolution

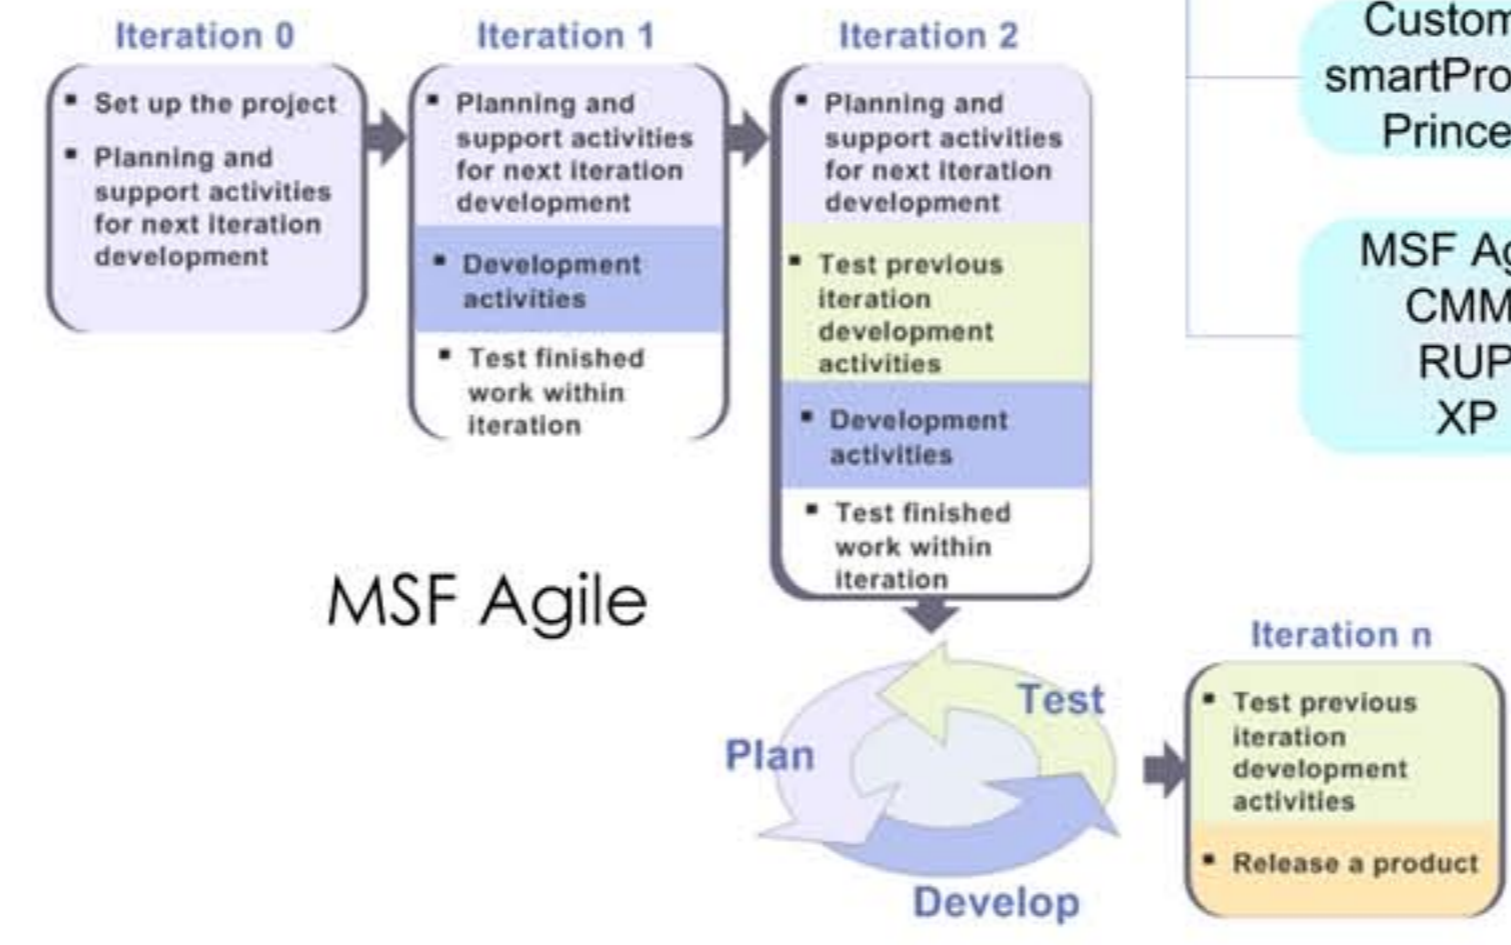

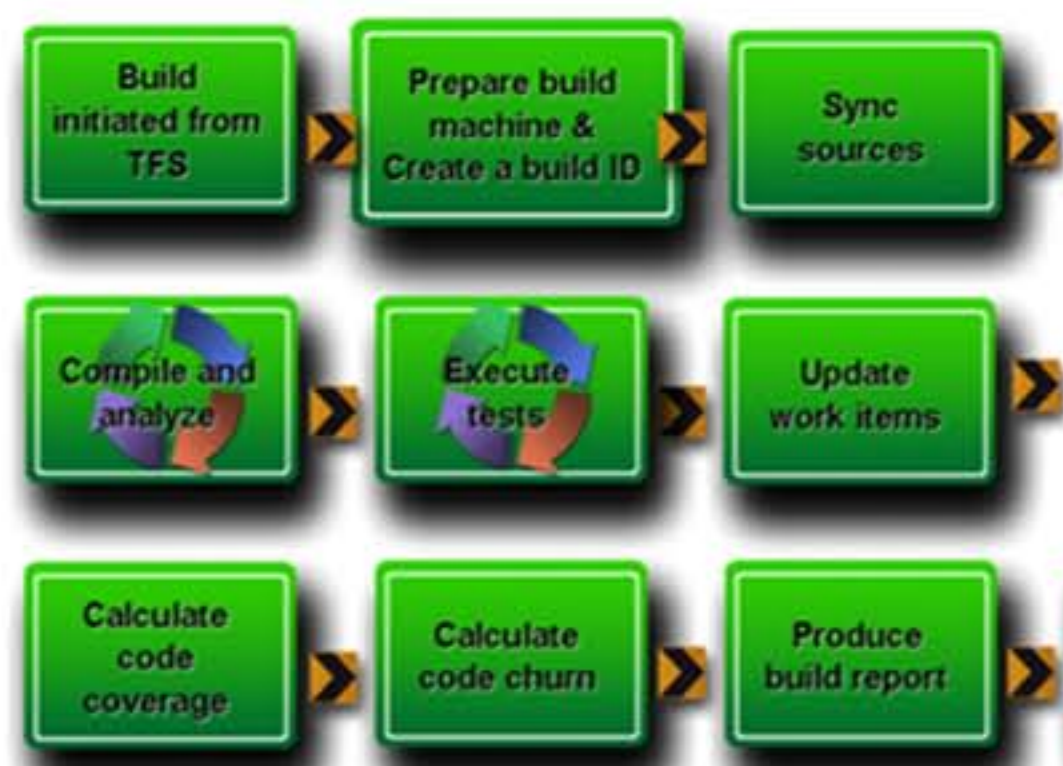

If **ZERO DEFECT QUALITY BAR** is reached, solution can proceed to next release iteration

Visual Studio 2005 Team Foundation

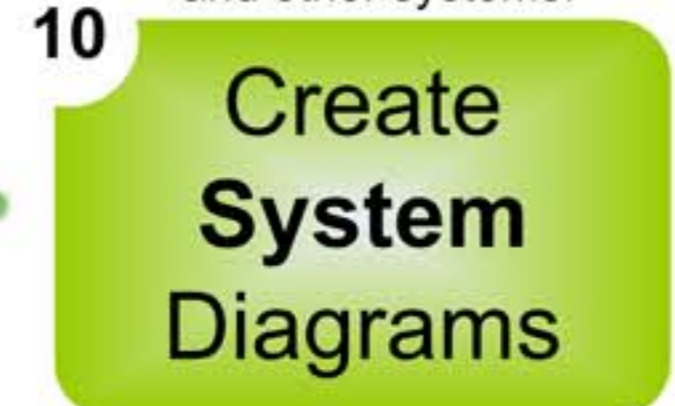

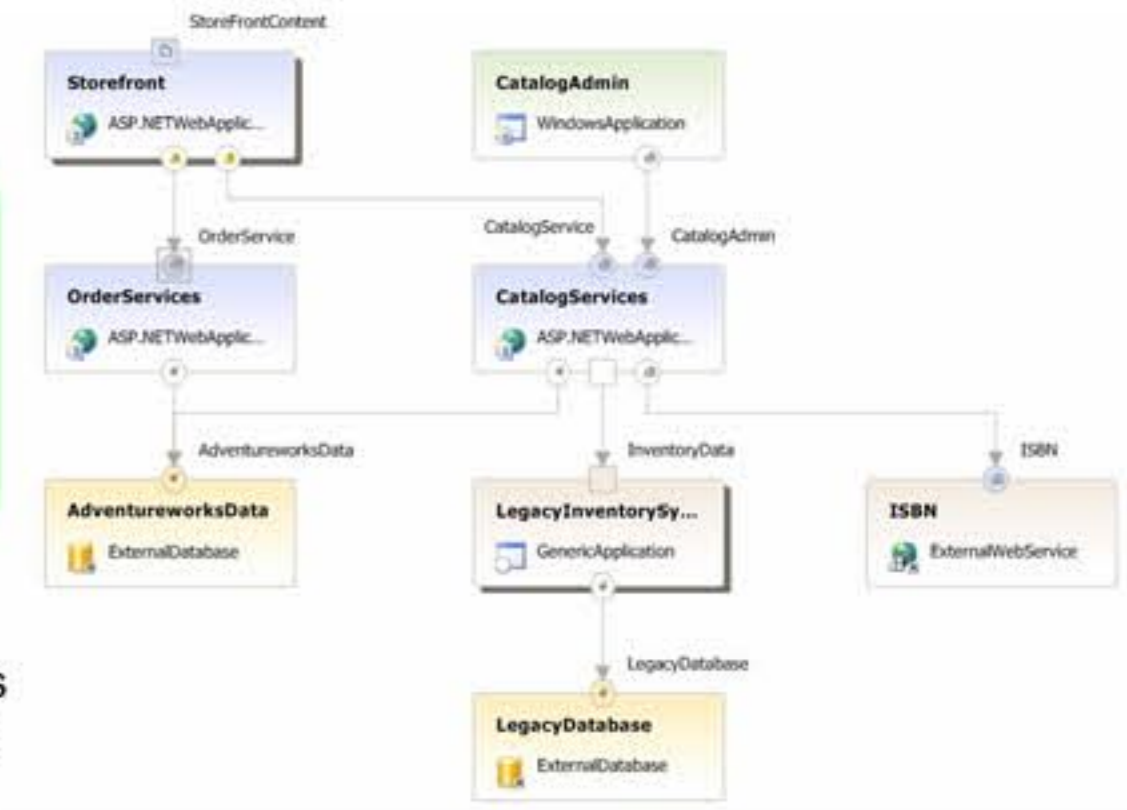

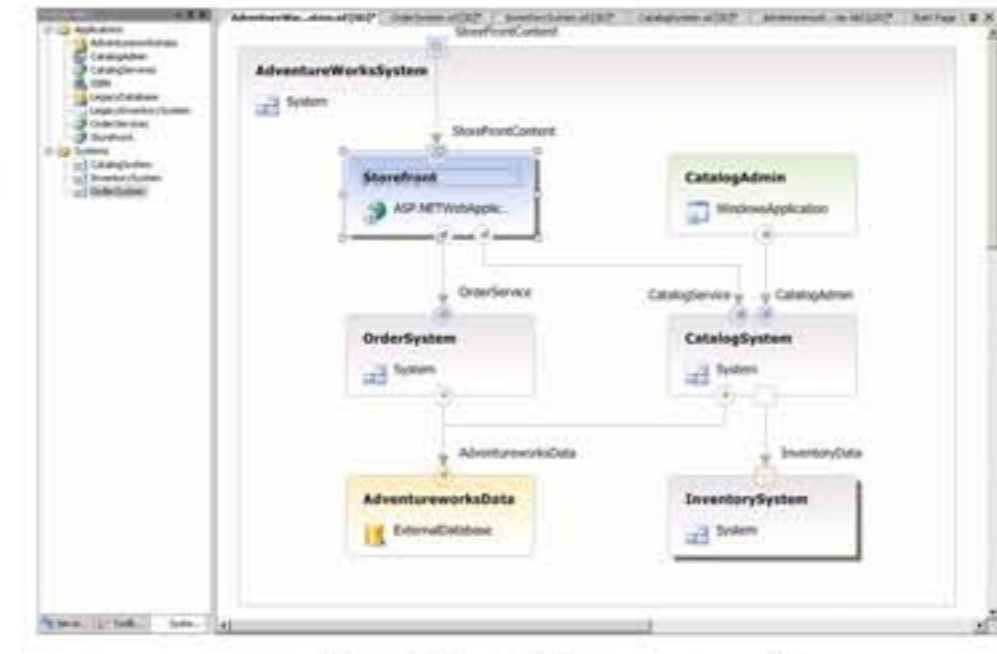

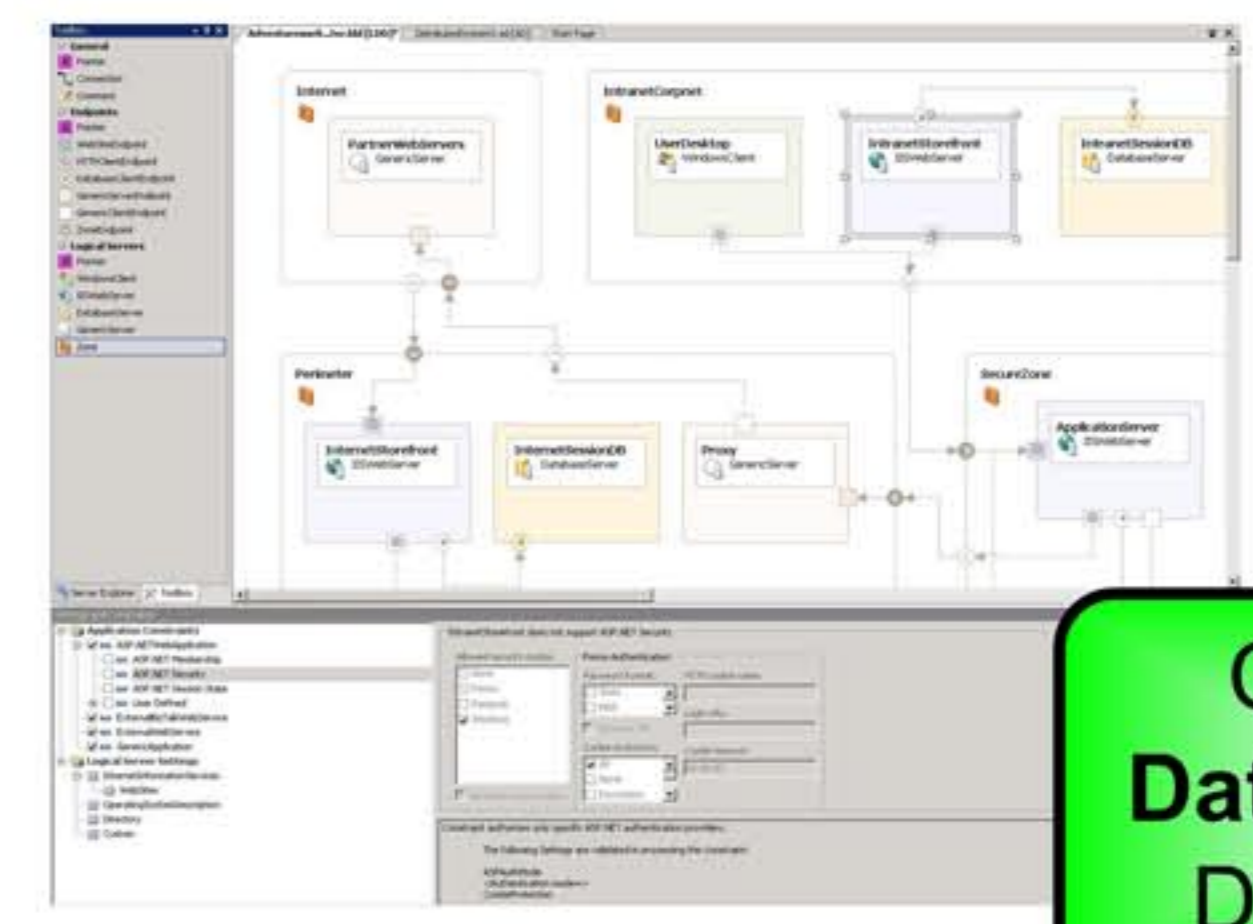

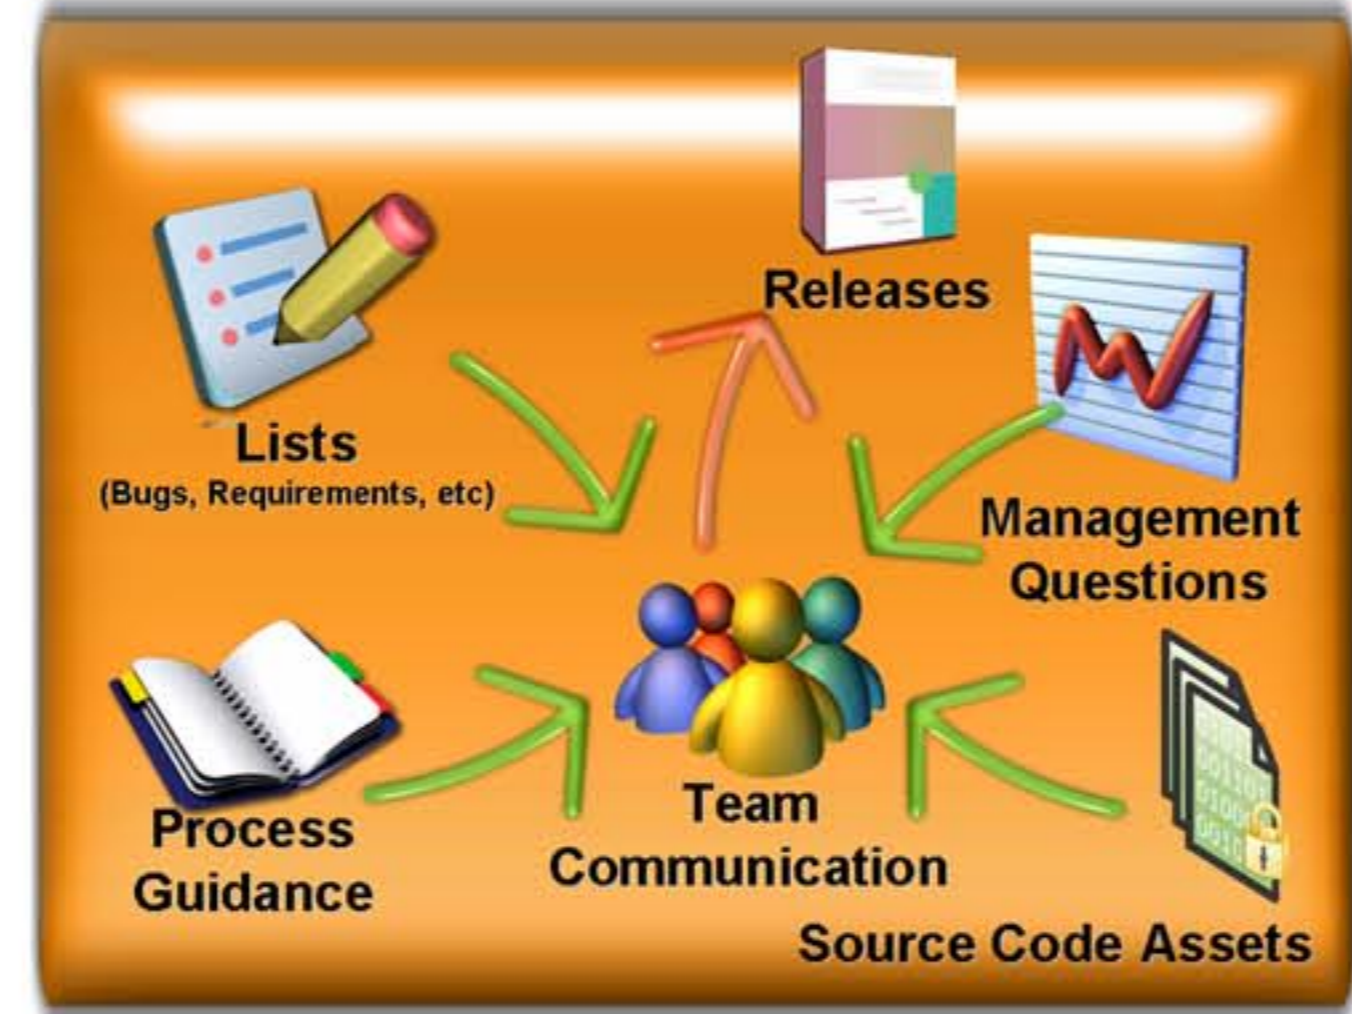

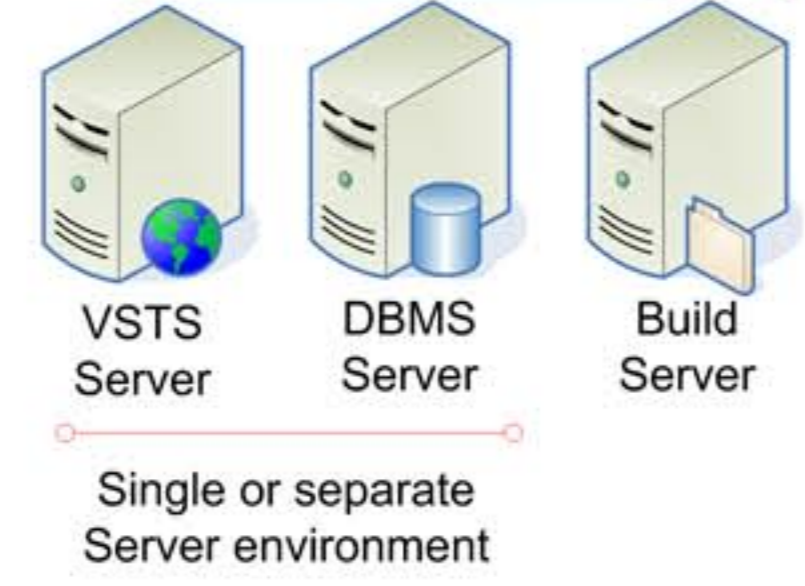

- Unit Tests**  
Test class methods
- Web Tests**  
Record and playback interactions
- Load Tests**  
Simulate multiple users
- Manual Tests**  
Provide scripts for manual tasks
- Third-party Tests**  
Integrated into VS

Synchronize project plan (Project) and offline task list (Excel) with work items.

Title	Activity	Status	Priority	Assigned To	Previous Assignee	Work Item ID	Request
Customer Care Documentation	Document	Approved	High	John	John	1001	Customer Care Documentation
Product Requirements Identified	Design	Approved	High	John	John	1002	Product Requirements Identified
Product Requirements Approved	Design	Approved	High	John	John	1003	Product Requirements Approved
Product Requirements Released	Design	Approved	High	John	John	1004	Product Requirements Released
Product Requirements Implemented	Design	Approved	High	John	John	1005	Product Requirements Implemented
Product Requirements Deployed	Design	Approved	High	John	John	1006	Product Requirements Deployed
Product Requirements Tested	Design	Approved	High	John	John	1007	Product Requirements Tested
Product Requirements Released	Design	Approved	High	John	John	1008	Product Requirements Released
Product Requirements Implemented	Design	Approved	High	John	John	1009	Product Requirements Implemented
Product Requirements Deployed	Design	Approved	High	John	John	1010	Product Requirements Deployed
Product Requirements Tested	Design	Approved	High	John	John	1011	Product Requirements Tested
Product Requirements Released	Design	Approved	High	John	John	1012	Product Requirements Released
Product Requirements Implemented	Design	Approved	High	John	John	1013	Product Requirements Implemented
Product Requirements Deployed	Design	Approved	High	John	John	1014	Product Requirements Deployed
Product Requirements Tested	Design	Approved	High	John	John	1015	Product Requirements Tested
Product Requirements Released	Design	Approved	High	John	John	1016	Product Requirements Released
Product Requirements Implemented	Design	Approved	High	John	John	1017	Product Requirements Implemented
Product Requirements Deployed	Design	Approved	High	John	John	1018	Product Requirements Deployed
Product Requirements Tested	Design	Approved	High	John	John	1019	Product Requirements Tested
Product Requirements Released	Design	Approved	High	John	John	1020	Product Requirements Released

Bordered tasks are "once off" tasks!
